

Web Tech & Concepts

MID SEMESTER

SUBMISSION DATE: 15TH JULY 2025

Website List

- Group A: Takoradi Technical University
- Group B: Ghana Airport Company Ltd
- Group C: Ghana Shippers Council
- Group D: Volta River Authority
- Group E: Ghana Commercial Bank

Critically examine and redesign the website (Provided in the list above based on your class group)

a. You are free to use stock images from [pexels.com](https://www.pexels.com), unsplash.com, [pixabay](https://pixabay.com) or any other free photography repository.

b. Ensure that your website is more professional, functional, responsive and visually appealing than what is currently existing.

c. Apply all the knowledge you have acquired in the webtech class.

- d. No **CSS Framework** or **Content Management System** should be used for this project. Any attempt to do so will result in total failure of this project.
- e. Everything should be done from scratch and indicate your name, index number and your passport size photo at the footer section of the website project. You're free to use your own style, fonts and imagery.
- f. To submit, publish the website at the hosting platform you have been provided.
- g. Deadline: 15th July, 2025
